Dear RMBF Family, Greetings!

From, 1st July 2026, I have the honour and privilege of assuming the responsibility of serving as the Chair of Rotary Means Business Fellowship (RMBF).

First and foremost, I extend my heartfelt gratitude to every RMBF Founder Directors, Board Member, Regional Director, Chapter Leader, and Fellow RMBian who has placed their trust and confidence in me. I accept this responsibility with humility, dedication, and a clear vision to take RMBF to even greater heights together.

RMBF is not just another fellowship; it is a professional platform built on the values of integrity, trust, collaboration, friendship, and service through business. The strength of our organization lies not only in our growing membership but also in our commitment to maintaining the highest standards of professionalism and ethical leadership.

As we begin this new journey together, I request every Chapter, office bearer, and Fellow RMBian to work with a shared sense of purpose, responsibility, and mutual respect.

A MESSAGE FROM THE CHAIR

I would like to emphasize one important principle from the very beginning - going forward, every member, Chapter and office bearer is expected to strictly follow the RMBF Constitution, Bye-laws, Policies, Protocols, Branding Guidelines and Official Communication Standards. These are not merely documents, they are the foundation of our organization and ensure fairness, transparency, consistency, professionalism and respect across all Chapters worldwide.

I, along with our dedicated Regional Directors, are always available to guide, mentor and support you. Our Regional Directors are not only experienced leaders—they are my trusted arms across the world, helping us stay connected with every Chapter and member.

To ensure faster communication, better coordination and efficient decision-making, I request all Chapters and members to first connect with your respective Regional Director for guidance, suggestions, approvals or support. They are fully empowered to assist you, and this communication structure will help us serve every member more effectively while strengthening teamwork across our global RMBF family.

Let us always place the interests of RMBF above individual preferences. When we work as one team, respecting our systems and one another, there is no limit to what we can accomplish. Together, we will celebrate achievements, encourage innovation, empower our members and uphold the dignity, credibility and reputation of RMBF across the World.

Our Mission for 2026-27

- Strengthen every Chapter.
- Empower every Member.
- Promote meaningful business networking.
- Build lasting professional relationships.
- Create opportunities that benefit the entire RMBF community.
- Expand RMBF's global presence with professionalism and purpose.

I encourage each one of you to actively participate, share your ideas, volunteer for initiatives, mentor fellow members, and contribute towards making this one of the most successful and memorable years in RMBF's history.

Let us remember:

"When we follow one vision, one system, and one set of values, there are no limits to what RMBF can achieve."

I am excited to embark on this journey with all of you. Together with trust, collaboration, discipline, and commitment we will build a stronger, more respected, and globally admired RMBF.

Thank you for your trust, your support, and your dedication.

I look forward to meeting many of you personally in the coming months and creating new opportunities for every Chapter and every RMBian. Together, let us lead with integrity, grow with purpose, and succeed as one global family.

"Together We Connect. Together We Grow. Together We Prosper."

Warm regards,

Rtn. Arvind Kumar Batra

Chair

Rotary Means Business Fellowship

It has been a joy to nurture Rotary Means Business since it was a group of 14 Rotarians at a small Rotary club in California Wine Country, to a worldwide organization with more than 4,000 members and a hundred chapters. I know our Fellowship has helped thousands of Rotarians be more successful and therefore make more contributions to their Rotary Club and their community.

As a bonus, many of you have made long-lasting relationships.

While Rotary International requires me to step down from leadership on our Fellowship, I have faith that Arvind Batra can lead RMB to new heights. Please accept my best wishes for the future.

Rtn. Mark Burchill

Founder and Past Chair
Rotary Means Business Fellowship

It has been a great privilege to be part of RMBF, one of the fastest-growing fellowships and, today, truly the talk of the town — since even before it was officially approved by Rotary International. Fostering and nurturing this fellowship for over 14 years has felt like raising my own child.

I still remember when we were approved back in 2013 with just a couple of chapters. To see that grow into hundreds of chapters and thousands of members today is nothing short of incredible.

I cherish the memories of every milestone along this journey, and I continue to be in awe watching individual members reap the benefits of this fellowship, benefits that have only grown since our earliest days.

The greatest honor of my journey was serving thousands of RMB members as Chair between 2022 and 2024. That experience will always stay close to my heart.

I am confident that the newest team, under the guidance and chairmanship of Rtn. Arvind Batra, will bring in younger and newer ideas, and I have full faith in the board to ensure consistent and higher growth during his tenure as Chair.

As a co-founding member and Charter Director, I look forward to continuing to give my best to this fellowship and to remaining part of this incredible team of RMB members across the globe.

I wish the fellowship the very best in all its future endeavors.

A YEAR OF GROWTH & LEADERSHIP

CELEBRATING GROWTH AND SHAPING A STRONGER FUTURE

Dear Esteemed Members of the Rotary Means Business Fellowship,

As I look back on the past year, I am filled with immense gratitude for the journey we have shared and the remarkable milestones we have achieved together. Serving as your Chair has been both a distinct privilege and a deeply rewarding experience.

First and foremost, a big thank you to all our members who have shown faith in this fellowship. It has been heartening to hear many incredible success stories from our members for whom RMB Fellowship has helped a lot. For many, this fellowship has been a game changer for their business.

Our collective efforts have yielded extraordinary results. I am absolutely thrilled to report that, through your relentless dedication and advocacy, we were able to create 35 new chapters during 2025-2026 alone.

I also want to place on record that we had several meetings with the officers

of the fellowship department of Rotary International this year. They have advised us to oversee the functioning of our chapters closely as they strongly believe in having proactive and quality chapters as highest priority.

In accordance with this directive, we have gone about asking our chapter leaders to submit annual reports of their chapters and be current with the chapter dues to the fellowship. This is to ascertain the current status of the chapters and to know how they are functioning.

Those who complied with our requests have been marked as "active chapters" and the rest will have to apply for rechartering as they are now marked as "inactive".

More information on this will be sent to all the leaders and members in the coming weeks.

This is a long drawn activity, but a very significant move for our fellowship as it is happening for the first time since our inception in 2013. In a few months time from now we will be having a robust portal and a mobile app for our members. We strongly believe that these steps will help our members gain more value for money for their membership in RMB.

I consider this AGM as a great opportunity to announce that we are more committed than ever before to protect the branding guidelines of Rotary and RMB Fellowship. You can download the logo and branding guidelines from our fellowship website. Those who deviate from the guidelines will have to face strict action from the fellowship. I request you to adhere to the guidelines and use only approved logos in all your communication including the posters, Facebook pages, chapter website etc.

This unprecedented growth of our fellowship is not just a statistic; it

represents thousands of new connections, expanded business horizons, and a significantly stronger network of Rotarians and professionals moving forward together. We have successfully deepened our footprint, bringing the core values of our fellowship to new regions and empowering even more business leaders.

I will fail in my responsibilities if I don't thank our Board of Directors for their hard work and support extended to me. It has been an honour to have worked alongside you all. Thank you, I thank wholeheartedly the services of the following Directors who will be retiring from the board on June 30, 2026 :

Rtn. Mark Burchill,
Past Chair and Treasurer

Rtn. Sachin Gururaj, Past Chair

Rtn. Leonardo, Secretary

Rtn. Henry, Director

Many congratulations and warm welcome to the newly elected Directors, **Rtn. Ashok Madanlal Sharma,** **Rtn. Margaret Rose Naimanye** and **Rtn. Sunil Sharma** to the Board. Your networking and administration skills will help RMB a long way.

Most importantly, I am very happy to announce that **Rtn. Arvind Kumar Batra** has been unanimously elected as the Chair of our Fellowship for 2026-27. I am sure our fellowship will achieve great success under this dynamic leader. Congratulations to Rtn. Arvind Kumar Batra. Once again, I sincerely thank all of you for being part of this prestigious fellowship and wishing great times ahead.

Best wishes,

Rtn. Rajamohan Dhandapani
Immediate Past Chair
Rotary Means Business Fellowship

It is a profound honour to serve as the Vice Chair of Rotary Means Business Fellowship for the Rotary year 2026–27. I accept this responsibility with humility, gratitude, and an unwavering commitment to strengthening our global fellowship.

We live in a world where connections create opportunities. RMBF has demonstrated that when ethical professionals unite under the values of Rotary, business becomes more than commerce—it becomes a powerful force for trust, collaboration, innovation, and service. Every meaningful business relationship has the potential to create livelihoods, empower communities, and multiply our impact beyond borders.

Our vision this year is to build a truly connected global network where every chapter thrives, every member grows, and every introduction creates value. Let us embrace innovation, encourage cross-border collaboration, mentor emerging entrepreneurs, and inspire professionals to experience Rotary through meaningful business fellowship.

As your Vice Chair, I am committed to listening, collaborating, and supporting every region as we continue to expand the reach and relevance of RMBF worldwide. Together, we will not only strengthen businesses—we will strengthen friendships, communities, and the spirit of Service Above Self.

The future of RMBF is not something we wait for; it is something we create together.

Let us dream bigger, connect deeper, and lead with integrity.

Wishing every member a year filled with opportunity, prosperity, fellowship, and lasting impact.

Rtn. Dr. Ashok Sharma

Vice Chair

Rotary Means Business Fellowship

**"Business Builds Prosperity.
Fellowship Builds Legacy."**

What does Rotary Means Business mean to you?

Think back to the days when you were a Rotarian, who may have initially joined Rotary for business contacts, getting to know the Who's Who of your community, or was looking for another opportunity to promote your business.

This, by the way, is what Paul Harris had originally intended Rotary to be. For Rotary to transition away from a business promotion and networking opportunity is not a bad thing as Rotary is now one of the most respected, prestigious, and valuable contributors to the planet. Rotary's work is becoming more and more important from 3rd world development to financial contributions as well as hands on work in all the communities in which we belong.

Rotary Means Business (RMB) is not, and never will be, intended to replace any of the good work that Rotary does. RMB is intended to enhance the value of being a Rotarian. All Rotarians in business, through RMB, now have the tools, the support and access to resources that Rotarians are proud to support.

Make a point of learning more about RMB. Become an "RMBian" and build upon the system for personal and professional development. Enjoy the ride, contribute and have fun.

Subject: Greetings and Vision for the RMBF Year 2026-2027

Dear Esteemed RMB-ans As we stand on the precipice of the Rotary Means

Business Fellowship (RMBF) year 2026-2027, I am both humbled and energized to serve as your Fellowship Secretary. This is more than a title; it is a commitment to strengthening the very fabric of our unique global community—where business acumen meets Rotary's spirit of service.

My vision for the coming year is centered on the theme of "Synergistic Growth." I aspire to elevate our Fellowship from a network of professionals to a powerful ecosystem of collaborators. My goal is to facilitate an environment where our diverse expertise not only generates business opportunities but also directly fuels impactful service projects. We will work to break down silos, encouraging cross-industry mentorship and strategic partnerships that extend beyond our fellowship meetings.

Furthermore, I envision a year of enhanced communication and accessibility. We will ensure that every member, regardless of location, feels connected and valued through streamlined information sharing and engaging virtual events.

To my fellow Rotarians, I extend a warm greeting. Thank you for your trust. Together, let us embrace the challenges of the coming year with enthusiasm and integrity. Let's make 2026-2027 a landmark year for the RMBF—a year of prosperity, fellowship, and meaningful action.

Yours in Rotary Service,

Robert Stezinar
Secretary, RMBF 2026-2027

STRENGTHENING GLOBAL CONNECTIONS

EMPOWERING NORTH AMERICAN CHAPTERS THROUGH COLLABORATION, LEADERSHIP, AND MEANINGFUL BUSI- NESS RELATIONSHIPS

As we begin the 2026–2027 Rotary year, my vision is simple:

To bring Rotary Means Business across North America together while developing deep relationships with RMB leaders and chapters around the world.

Rotary Means Business has an incredible network of professionals who believe that business and service go hand in hand.

My goal is to leverage that network's strength by connecting people, sharing ideas, supporting chapter growth, and creating more opportunities for our members.

Every chapter has something valuable to contribute. By working together, we can learn from one another, share best practices, and build stronger chapters that provide value to their members and communities.

I believe RMB's future is built on collaboration, intercontinental relationships, and a commitment to helping one another succeed.

When we leverage the experience, expertise, and passion of our members, we create opportunities that extend well beyond business.

Together, we can expand our communal impact while demonstrating that business can be a powerful force for service.

I am honored to serve on the International Board and look forward to working alongside our global leadership, chapter leaders, and members as we continue building one connected

Rotary Means Business community. I am excited about what we can accomplish together this year and the opportunities that lie ahead.

Rtn. Andre Adams
RMB International Director North America

I am honored and excited to serve as your Director for North America of the Rotary Means Business Fellowship for the 2026–27 Rotary year.

Together, we have a remarkable opportunity to grow, connect, and thrive.

Rotary Means Business embodies the belief that supporting each other's enterprises is itself an act of **"Service Above Self"**.

My vision for this year is clear: to expand our reach across North America, strengthen our existing and new chapters, and create real, measurable value for every member.

I want this fellowship to be a place where connections lead to opportunities, where members mentor and champion one another, and where friendship and commerce flourish side by side.

Through engaging events, practical resources, and a spirit of generosity, we can help each member's business—and our shared mission—grow.

My aspiration is simple: that no Rotarian in business should feel they are building alone. Let's turn our networks into a community of trust and mutual success.

Rtn. Sunil Sharma
RMB International Director North America

It is both an honour and a privilege to serve as the International Director at Large of the Rotary Means Business Fellowship. As we begin this new fellowship year, I am inspired by the passion, dedication, and entrepreneurial spirit demonstrated by our members across the globe.

My vision for the coming year is to strengthen the bonds between our chapters, encourage meaningful business collaborations, and create greater opportunities for every member to grow personally and professionally.

RMBF is much more than a networking platform—it is a global community where trust, friendship, integrity, and service become the foundation for sustainable business success.

I look forward to supporting initiatives that promote diversity, empower women and young professionals, and encourage active participation from every region. By sharing knowledge, fostering innovation, and celebrating the achievements of our members, we can continue to build stronger chapters and a stronger international fellowship.

Let us work together to expand our global reach, create lasting business relationships, and uphold the values that make

RMBF has emerged as one of the fastest-growing and most admired fellowships in the Rotary world.

This remarkable achievement is the result of a clear vision, a systematic working pattern, and an unwavering commitment to Rotary's Four-Way Test.

Rotary Means Business Fellowship unique.

Every member has something valuable to contribute, and together we can create new opportunities that benefit our communities and our businesses alike.

I wish every chapter a successful, productive, and inspiring year ahead. Let us continue to connect, collaborate, and grow—together.

Rtn. Margaret Rose Naimanye

RMB International Director at Large
Rotary Means Business Fellowship

Since its inception, RMBF has successfully created a platform where ethical business networking, meaningful fellowship, and enduring friendships come together.

By facilitating quality business referrals among members, it has not only contributed to professional growth but has also strengthened the spirit of trust and collaboration that defines Rotary.

Today, RMBF enjoys the admiration and confidence of Rotarians across the globe.

The seeds of this wonderful fellowship were sown by Rtn. Mark Burchill, whose vision gave birth to an initiative that has transformed the way Rotarians connect through business.

That vision was passionately nurtured and expanded by Past Chair Rtn. Sachin and Immediate Past Chair Rtn.

Rajamohan.

Their tireless efforts, dedicated leadership, and relentless commitment have been instrumental in shaping RMBF into the vibrant and globally respected fellowship it is today.

Their contributions have laid a strong foundation upon which future leaders can continue to build.

One of RMBF's greatest successes has been its ability to attract the younger generation of entrepreneurs and professionals to Rotary.

The fellowship offers an inspiring blend of ethical networking, professional opportunities, and the Rotary ideal of Service Above Self, making it a powerful gateway for young leaders to become part of the Rotary family.

As we begin another exciting Rotary year, the RMBF baton has been entrusted to the dynamic, enthusiastic, and charismatic Rtn. Arvind Batra.

His visionary leadership, boundless energy, and ability to transform ideas into action give us every reason to believe that RMBF will scale even greater heights.

I am confident that under his stewardship, the fellowship will continue to expand its global footprint, strengthen member engagement, and set new benchmarks of excellence.

I extend my heartfelt congratulations and best wishes to Rtn. Arvind Batra and his entire team for a successful and memorable year.

May RMBF continue to inspire Rotarians across the globe and remain a shining example of ethical networking, fellowship, and Rotary values.
