

Termination of Rtn.Prashant Ajmera

At a recent disciplinary hearing, held subject to Rotary Means Business Fellowship By-Laws, Article III, Section C, evidence was presented that Rtn.Prashant Ajmera engaged in multiple violations of Rotary Means Business Fellowship Policies and/or Rotary International Codes and Policies.

Rtn.Prashant Ajmera was invited multiple times to attend the disciplinary hearing, but he refused to attend the hearing, and therefore did not present any evidence refuting the alleged violations. The Board of Directors reviewed the evidence and determined that Rtn.Prashant Ajmera was, in fact, guilty of multiple violations, including, but not limited to: intimidation, threatening RMB members, making false statements, libel, and violation of Rotary International Codes and Policies.

As a result of his actions, the Board of Directors has terminated Rtn. Prashant Ajmera's membership in the Rotary Means Business Fellowship. Rtn.Prashant Ajmera is permanently banned from membership in the Rotary Means Business Fellowship and all RMBF local chapters. He is also banned from attending any Rotary Means Business Fellowship or local RMBF chapter activity. Managers of WhatsApp accounts related to Rotary Means Business should remove Rtn.Prashant Ajmera from those forums.

Any RMBF chapter which accepts Rtn.Prashant Ajmera's membership or attendance is subject to chapter charter suspension or revocation. If you have any questions, please contact Chair@RotaryMeansBusiness.org.
